Index to Volume XIV

Page citations are made to single pages; these are often the beginning of a chapter, section, or running discussion dealing with the topic.

Accidents, 183
Accounting, 155; for extracurriculum activities, 156; internal, 189
Achievement, and intelligence, 403
Achievement tests, 15
Acne, in adolescents, 420
Acuity, visual, 42
Adjustment, factors affecting delinquent, 233; occupational, 313
Administration, of special education, 209; problems of, 205
Adolescence, 401, 419; physical development, 419
Adolescents, 401
Adult education, of Negroes, 267
Adults, intelligence, 438
Agricultural education, 205, 327; effect of war, 331; evaluation, 328; guidance, 330; program planning, 327; teacher education, 330
Alcoholism, 87
Alcoholism and delinquency, 233
American Youth Commission, 294
Amish, 371
Analysis of variance, 118
Anoxia, 415
Anthropometry, 428
Appraisal of business administration, 189
Aptitude, art, 41; artistic, 41; business, 39; dentistry, 39; engineering, 39; law, 40; measurement, 38; medicine, 40; music, 41; nursing, 40; scientific, 38; teaching, 41; tests for driving and flying, 48
Arithmetic, commercial, 320
Armed Forces Institute Test, 102
Armed services, tests in, 102
Art aptitude, 41
Athletic ability, and intelligence, 403
Attitudes, and instruction, 351; development, 348; influence of teacher on student, 352; measurement, 61; social, 348; toward democracy, 349; toward the press, 69; toward religion, 69; toward war, 70, 350
Audio-visual aids, 342
Auditing, 157
Auditory tests, 44
Automobile driving, 48
Aviation tests, 103
Behavior, personality development and, 371
Behavior problems, 231
Bilingual children, 273; curriculum, 274; sociological studies of, 274
Bilingualism and intelligence, 31
Biographical studies, 394
Birth, adjustments at, 414
Birth trauma, 416
Blind, *see* Introduction, 200
Boards of education, functions, 133, 156
Bonded debt, 169
Bonds, 169; legal aspects, 170
Brain injury, 407
Budgeting, 151; general surveys, 152; needed research, 153; principles, 152; state control, 151
Bus, drivers, 181; maintenance, 182; ownership, 183
Buses, 163; insurance of, 183
Business administration, appraisal, 189; aptitude, 39; efficiency in, 186; needed research, 189
Business education, surveys, 323
Business machines, 322
Business organization, 186
Business personnel, preservice, 187; qualifications, 187

Caries, 417, 432
Cerebral palsy, 248
Certification, of commercial teachers, 322; of teachers of industrial arts, 315
Character tests, 55; applications, 67
Child study, 381
Citizenship education, 353
Civilian Conservation Corps, 294
Cleft palate, 242, 247
Clerical aptitude tests, 46
College students, intelligence of, 22
Color tests, 43
Commercial education, 320; follow-up studies, 323; guidance in, 324; teachers, 322
Community, and school, 354; and school cooperation, 307
Community resources, 353
Community school unit, 174
Concept formation, tests of, 10
Consolidation of districts, 173
Constancy of IQ, 217, 228
Consumer education, 301, 320

Contests, agricultural, 332
Core course, defined, 290
Correlation, technic, 111
Cost, compared with other costs, 165; forces affecting, 162; of education, 162; of higher education, 165; of transportation, 163; trends, 163
Costs, of special education, 211
County unit, 175
Court decisions, 170
Credit, limitations and regulations, 169
Crippled children, *see* Introduction, 200
Cultural differences, 85
Cultural factors, and intelligence, 404
Curriculum, for mental defectives, 219; problems of exceptional children, 206
Curriculum making, for postwar period, 356

Deaf, 44
Deaf and hard of hearing, educational provisions for, 249; language development, 255; learning ability, 254; needed research, 253; personality adjustment, 254; preschool training, 248; school surveys, 250; teaching procedures, 251
Deafness, and intelligence, 395
Delicate children, *see* Introduction, 200
Delinquency, *see* Juvenile delinquency, 231
Democracy, attitudes toward, 349; in family life, 304
Dental caries, 417
Dentistry, aptitude, 39
Diagnosis, of personality and adjustment, 224
Diet, 305, 414; and mental development, 408, 431; effect on growth, 418
Discriminant function, 113
District organization, 172
Drawing, 92
Driving tests, 48
Drug therapy, 441
Drugs, use with mental patients, 84

Educational, equalization, 140; opportunity, 140
Educational opportunity, equalization, 269
Educational philosophy, 201
Educational problems, personality, 71
Educative ability tests, 12
Emotional problems, of exceptional children, 202
Emotional stability and delinquency, 234
Employment, problems, 206
Employment tests, 39, 46
Endocrine therapy, 420
Engineering, aptitude, 39
Environment, and education, 384; and IQ, 391; effect on intelligence, 27
Equipment, defined, 155
Exceptional children, 201; curriculum, 206; educational philosophy, 201; emotional problems, 202; needed instruction, 202
Excursions, school, 341
Exemptions, tax, 143
Exhibits, agricultural, 332
Extracurriculum activities, accounting for, 156

Factor analysis, and personality, 59; technic, 112
Family relations, 302
Fears, children's, 91
Federal aid, 144
Federal control, 144
Fetal development, 413
Finance, planning, 135; problems of, 205
Fiscal dependence, 186
Flying tests, 48
Foreign languages, 274
Foster homes and parents, 29
Frustration, 371, 373
Frustrations, 368
Funds, management, 156
Fused course, defined, 290

General college, 290; program, 291
General education, 289, 351; needed research, 296
Geography, effects of war on, 358
Gifted children, 224, 395; case studies, 225; contrast studies, 226; educational achievement, 227; follow-up studies, 228; hobbies, 226; needed research, 229; personality, 224; social adjustment, 224
Graduate study, Negro, 270
Graphology, 91
Graphs, 340
Group methods, 86
Grouping tests, 117
Growth and development, analysis, 427; curve, 419, 427; nature of, 429; postnatal, 414; prenatal, 413
Guidance and counseling, of Negroes, 267; of the deaf, 253

Handwriting, 91
Health and achievement, 431

Health education, of Indians, 280; of Negroes, 267
Hearing, aids, 252
Hearing tests, research on, 251
Height, growth and, 427
Heredity, 430
Higher education, costs, 135, 165; of Negroes, 265
High-school pupils, 21
Home and family life, analysis of needs, 301; curriculum, 301; education for, 303; effectiveness of education for, 305
Home arts, clothing, 306; curriculum, 307; foods, 305
Home conditions, effect on adjustment, 234; effect on intelligence, 27
Housing, 311

Illness, and related factors, 431
Indians, 86, 279; bilingualism, 276; cultural adjustment, 280; health education, 280
Industrial arts, 311; administration, 315; certification of teachers, 315; effect of war, 315; evaluation, 312; teacher education, 314; work experience in, 313
Infants, growth and development, 381, 413, 428; mental development, 396; tests, 391
Insecurity, and personality, 372
Insurance, 188; of buses, 183
Intelligence, and adjustment, 224; and anoxia, 415; and bilingualism, 31; and cultural factors, 404; and delinquency, 233; and environment, 27, 391; and health, 430; and parental occupation, 404; and physical prowess, 403; and physiological correlates, 394; and reading difficulties, 31; and related factors, 402; and school achievement, 403; and season of birth, 390; and social development, 32; and socio-economic status, 28; and vocational success, 228; brain injury and, 407; changes during old age, 438; constancy of ratings of, 24; family factors and, 29; follow-up studies, 228; infants and preschool children, 392; of adults, 30; of college students, 22; of exceptional groups, 26; of Negroes, 30; seasonal variations, 396
Intelligence tests, adult, 438; and achievement, 20; and bilingualism, 273; applications, 20; construction, 10; performance patterns on, 14
Intercultural education, 268, 349
Interest inventories, 59
Internal accounting, 189
Introversion-extroversion, 68
Item analysis, 114

Juvenile delinquency, and the courts, 236; and socio-economic status, 235; causes, 233; in England, 235; Negroes, 235; relation of school, 236; statistics, 232; symptoms, 232

Kallikak study, 391
Kindergartens, 392
Kurtosis, 111
Kwoma, 369

Language, development of, 392
Language development, in children, 406
Law, aptitudes, 40
Legislation and court decisions, 135
Liability, 189; for bus accidents, 183
Liberalism and conservatism, 72
Lip reading, 250
Local support, 146; of education, 134
Longitudinal studies, 393, 401

Machine scoring, 115
Maladjustment and problem children, 231; number and distribution, 231; related factors, 232; relation of school, 236; sources of information, 231; symptoms, 232
Maps, 340
Masculinity-femininity, test of, 58
Matched group technic, 117
Maternal diet, effect on prenatal development, 414
Mechanical tests, 44
Medicine, aptitude, 40
Memory, 390, 407
Menarche, 432
Mental defectives, 395; achievement of, 221; characteristics, 217; curriculum, 219; educational problems, 218; educational provisions, 218; needed research, 222; placement, 221
Mental deterioration, 440
Mental development, 390, 401; and diet, 408; and season of birth, 390; limits, 441; nutrition and, 431
Mental hygiene, 209
Mental Measurements Yearbook, 5
Methods of teaching mental defectives, 219
Minority groups, 264
Morale, measurement of, 350; of students, 70
Motion pictures, as observation records, 381, 428

Motor abilities, 361; and other factors, 383; measurement, 382; nature, 385
Motor ability tests, 45
Music aptitude, 41

National Youth Administration, 293
Nature vs. nurture, 33
Navy aviation tests, 105
Navy tests, 106
Needed research, 194, 195; budgeting, 153; general education, 296; gifted children, 229; in business administration, 189; on education for the deaf, 253; on mental defectives, 222; work experience, 295
Negro education, curriculum, 266; graduate study, 270; industrial education, 311; minority groups, 264; of adults, 267; status, 265
Negroes, education of, 141; intelligence of, 30; juvenile delinquency, 235; personality of, 370, 372; studies of superior children, 227
Neonatal development, 414
Nonteaching personnel, 187; compensation, 188; in-service training, 188; management, 187; retirement, 188; tenure, 188; types, 187
Nursery schools, 74, 392
Nursing, aptitude, 40
Nutrition, 302, 305; and intelligence, 418

Occupations, personality measurement in, 67
Office practice, 320
One-teacher schools, 172
Organismic age, 428
Organization, problems of, 205
Out-of-school youth, agricultural education, 329

Painting, 92
Parent-children relationships, 234
Partially sighted, *see* Introduction, 200
Participation, in social education, 353
Persistence, measurement, 62
Personal development, unity and continuity, 99
Personality, and clinical work, 73; and educational problems, 71; and societal problems, 68; development, 368; measurement, 7; projective technics for study, 81; retraining of, 377; study by factor analysis, 59; technics of measurement, 59
Personality development, 402; and social conditions, 369; intelligence and, 405
Personality development of preschool children, 74; nature of, 100
Personality tests, 55; applications, 67; general review, 77
Physical condition and adjustment, 232
Physical defects, incidence, 417
Physical development, of children, 417
Physique, 33
Planning, 177, 193; effects of legislation, 135; in higher education, 135; national, 134; need for, 132; postwar, 177; processes, 133
Play, technics, 90; therapy, 90
Postwar planning, 177
Postwar problems, 141, 356
Prediction, of professional success, 39
Preinduction training, in social studies, 355
Prenatal development, 413
Preschool children, 417; personality, 74
Prevention of delinquency, 237
Primary mental abilities, tests of, 74
Private schools, 147
Problem children, 27
Problems of finance, 205
Professional aptitudes, prediction of success, 39
Progressive Education Association, 290
Projective technics, 81
Propaganda, 352
Property taxes, 143
Psychoeducational growth, 99
Psychotherapy and delinquency, 236
Public relations, 133, 147
Pupil records, 207
Purchasing supplies, 159

Race attitudes, 75
Race relations, 268
Racial differences, 384, 397, 430
Reading, mental defectives, 220
Reading ability, and social studies, 343
Reading difficulties, and intelligence, 31

Recreation and delinquency, 237
Regionalism, in social studies, 338
Reliability coefficients, 112
Religious beliefs, 69
Reporting, 157
Research technics, in mental development, 408; in physical growth, 434; personality development, 378
Residential schools, for the deaf, 248
Revenue from taxes, 142

Rorshach technic, 82; cultural differences, 85; group methods, 86; validity, 84
Rorshach Test, 7
Rural schools, 172

Safety education, 311
Salaries, inequalities in, 269
Salesmanship, 47, 67
Sampling, 115
Scientific aptitude, 38
Score cards, 186
Scoring, formulas, 114; machine, 115; procedures, 114
Season of birth and economic status, 429
Segregation of children, 204
Senesence, 440
Sex, differences in childhood, 381
Sex differences, in speech defects, 242
Shorthand, 320
Siblings, 393
Skewness, 111
Social development and intelligence, 32
Social education, 348; participation in, 353
Social studies, curriculum, 337; effect of war, 354; evaluation, 343, 344; excursions, 341; methods, 339
Societal problems, 68
Socio-economic status and delinquency, 235; and personality, 371; and intelligence, 28
Sorting tests, 10
Spanish-American, and bilingualism, 273
Special abilities, 38
Special education, 209; administration of, 209; costs, 211; growth, 207; research, 215; statistics of, 210
Speech correction, in colleges, 244; materials, 244
Speech defects, and intelligence, 242; incidence, 241; scholastic achievement, 243
Speech handicapped, 241
Speech pathology, 247
Speech problems, and the war, 245
Speech tests, 252
State control of education, 174
State support, 146; of education, 134
Statistical methods, 110; needs, 119; trends, 119
Statistics, new texts, 110
Stories, 89
Stuttering, and intelligence, 243; incidence, 242
Superintendent, function of, 152
Supplies, defined, 155; purchasing, 159
Support of education, 134, 139; local, 134; state, 134
Surveys, 152; budgeting, 151; of physically handicapped, 212
Synthesis, attempts at, 290

Tabulating machines, 115
Taxation, delinquency, 143; exemptions, 143; limitations, 143; property, 143; revenue from, 142
Teacher education for special education, 210
Teacher education study, 354
Teachers, influence of attitudes on students, 352; of speech correction, 244; Negro, 265
Teaching aptitude, 41
Teaching success, prediction of, 41
Teeth, 432
Tension, 271
Tensions, 368
Tests, achievement, 15; aptitude, 38; army aviation, 103; auditory, 44; clerical aptitude, 46; color vision, 43; driving, 48; educative ability, 12; flying, 48; in armed services, 102; intelligence, 10, 20; mechanical, 44; naval aviation, 105; navy, 106; of apperception, 88; of character and personality, 55; of concept formation, 10; of critical thinking, 13; of masculinity and femininity, 58; of motor ability, 45; of relations, 12; of special abilities, 38; sorting, 10; verbal, 13; vocational selection, 46
Textbook, influence on attitudes, 349
Thematic apperception tests, 88
Thinking, 405
Time concepts, in social studies, 340
Toys, 377
Trade analysis, 313
Transportation, 180; cost of, 163; influence of war on, 180
Trends, in school finance, 193
Trends in psychological measurement, in statistics, 6
Typewriting, 322

Unit vs. multiple control, 186

Variance, analysis of, 118
Verbal tests, 13
Visual acuity, 42
Visual aids, 342
Visual defects, 395
Visually handicapped, *see* Introduction, 200
Vitamins, 394, 408, 431

Vocational education, 313; curriculum, 314; need, 312
Vocational guidance, need, 314
Vocational guidance and placement, of exceptional children, 211; of the deaf, 253
Vocational opportunities, postwar, 304
Vocational interests, 59
Vocational selection tests, 46
Voice, and personality, 92

War, attitudes toward, 70; effect on agricultural education, 331; effect on children, 390; effect on industrial education, 315; effect on nutrition education, 302; effect on social studies, 354
Wartime problems, 139
Weight, growth and, 427
Weighting, 114
Welsh, teaching of, 276
Work camps, 294
Work experience, 293, 294, 308; needed research, 295

Youth surveys, 234
Youth work programs, 293
